

# Strawberry Bubblegum

Justin Timberlake

Hey pretty lady  
This goes out to you  
I know I said it like a thousand times  
But everyday still feels like the first day  
This is dedicated to you...

This goes out to you  
This goes out to you, this is dedicated to you.....  
Dedicated to you, dedicated to you, dedicated to you

Pretty lady  
When you walk by...

It was such a mellow, mellow, mellow, mellow, mellow, mellow day  
When you walk by  
It was such a mellow, mellow, mellow, mellow, mellow, mellow day

I, I can't deny the way you caught my eye  
And then something strawberry filled up the sky  
And everything on you intoxicates  
It's a mystery,  
I don't know why I let you kick in my "Do not disturb" sign  
But I guess your mouth in motion got me so high  
And I could tell it's pure just by the taste  
And you kiss me

So tell me you wanna get close somewhere far away, far away  
Don't worry about your loving it won't go to waste, go to waste  
Don't ever change your flavor 'cause I love the taste, love the taste  
And if you ask me where I wanna go, I say all the way

'Cause she's just like nothing  
That I ever seen before,  
Baby please don't change nothing  
Because your flavor's so original

And it all started when she said  
Hey hey hey, smacking that strawberry bubblegum  
You really got me when you said  
Hey hey hey, popping that strawberry bubblegum

Go ahead girl  
This goes out to you,  
Yeah, this goes out to you,  
You know what time  
I'll give it to you

So tell me why  
We're making love like professionals on the first time  
Acting all professional but it works out  
'Cause you don't wanna work here anyway  
And baby I, I, girl I'm all addicted and I won't fight  
You and me that's the recipe for a good time  
And it ain't really nothing but clothes in the way

Tell me you wanna get close somewhere far away, far away  
Don't worry about your loving it won't go to waste, go to waste

Don't ever change your flavor 'cause I love the taste, love the taste  
And if you ask me where I wanna go, I say all the way

'Cause she's just like nothing  
That I ever seen before,  
And baby please don't change nothing  
Because your flavor's so original

And it all started when she said  
Hey hey hey, smacking that strawberry bubblegum  
You really got me when you said  
Hey hey hey, popping that strawberry bubblegum

My little strawberry strawberry strawberry bubblegum  
My little strawberry strawberry strawberry bubblegum  
She's my little strawberry strawberry strawberry bubblegum  
My little strawberry strawberry strawberry bubblegum,  
Hey, hey, hey, my little, hey, hey, hey

Come in, sit down, let me elevate your appetite.  
Any flavor you want. Now my selection is the tasty kind  
But you, you're delicious on your own.  
After I break you down my fingers, it's so sweet  
That's what you told me when I touched on your lips.  
Towel under the door, girl, before they pick up your scent ah

If you'll be my strawberry bubblegum,  
Then I'll be your blueberry lollipop  
If you'll be my strawberry bubblegum,  
Then I'll be your blueberry lollipop  
Then I'll love you 'til I make it pop.

If you'll be my strawberry bubblegum,  
Then I'll be your blueberry lollipop  
(little girl would you be my)  
If you'll be my strawberry bubblegum,  
Then I'll be your blueberry lollipop  
And then I'll love you 'til I make it pop

Hey, hey, hey.

My little strawberry strawberry strawberry bubblegum  
My little strawberry strawberry strawberry bubblegum  
My little strawberry strawberry strawberry bubblegum  
My little strawberry strawberry strawberry bubblegum

If you'll be my strawberry bubblegum,  
Then I'll be your blueberry lollipop  
(little girl would you be my)  
If you'll be my strawberry bubblegum,  
Then I'll be your blueberry lollipop  
And then I'll love you 'til I make it pop
