

# Summer Love

Justin Timberlake

Ridin' in the drop top with the top down  
Saw you switchin' lanes girl  
Pull up to the red light, lookin' right  
Come here, let me get your name girl  
Tell me where you from, what you do, what you like  
Let me pick your brain girl  
And tell me how they got that pretty little face on that pretty little frame  
girl  
But let me show you 'round, let me take you out  
Bet you we could we could have some fun girl  
'Cause we can do it fast (fast), slow, whichever way you wanna run girl  
But let me buy you drinks, better yet rings  
Do it how you want it done girl  
And who would've thought that you could be the one 'cause I

I can't wait to fall in love with you  
You can't wait to fall in love with me  
This just can't be summer love, you'll see  
This just can't be summer love (L-O-V-E)

Come on and lemme show you 'round  
Let me take you out, bet you we could have some fun girl  
'Cause we can dress it up, we can dress it down  
Any way you want it done girl  
Or we can stay home, talkin' on the phone  
Rappin' 'til we see the sun girl  
Do what I gotta do, just gotta show you that I'm the one girl  
Well I'mma freak you right, each and every night  
I know how to do it insane girl  
'Cause I can make it hot, make it stop  
Make you wanna say my name girl  
Come on baby please 'cause I'm on my knees  
Can't get you off my brain girl  
But who would've thought that you could be the one 'cause I

I can't wait to fall in love with you  
You can't wait to fall in love with me  
This just can't be summer love, you'll see  
This just can't be summer love (L-O-V-E)  
'Cause I can't wait to fall in love with you  
You can't wait to fall in love with me  
This just can't be summer love, you'll see  
This just can't be summer love (L-O-V-E)

The summer's over for the both of us  
But that doesn't mean we should give up on love  
You're the one I've been thinking of  
And I knew the day I met you you'd be the one

I can't wait to fall in love with you  
You can't wait to fall in love with me  
This just can't be summer love, you'll see  
This just can't be summer love (L-O-V-E)  
'Cause I can't wait to fall in love with you  
You can't wait to fall in love with me  
This just can't be summer love, you'll see  
This just can't be summer love (L-O-V-E)

[Set the Mood Prelude]

Let me set the mood right  
'Cause I'm gonna make you feel alright  
Let me set the mood right  
'Cause I'm gonna make you feel alright

Gotta set the mood right  
And that may make you feel alright  
I'm gonna set the mood right  
I promise baby you'll feel alright

Just let me set the mood right  
And that may make you feel alright  
I'm gonna set the mood right  
And you will same my name tonight  
If I set the mood right  
Promise girl you'll feel alright  
If you let me set the mood right  
I'll make you feel so good tonight

If it feels good to you then it'll feel good to me  
Let me set the mood right
