

Bad Guy

Juvenile

Call me Duby Montana, Don Corleone,
When all the shit ain't going right, I'm who they're calling on
And you may hustle like I do, but shit, I'm fast with it
All the money you have it I'm a wipe my ass with it
I'm quite as good as fuck, I have the grant to it
You ain't able, but your momma had to sign for it.
I got a lot of flavor, the one I'm sizing up
Juven deliver and sometimes feel like tisa hot.
Blood shed when is a problem with them down the size
My niggas enter in your houses like the power lines
I'm good, homie, I put my father on it
My pain while I get hot they're getting the water on it
I'm the bad guy, everything and all black
And you ain't gotta say, bitch, I think I'm all it
I'm too gee, man, I gotta get two keys
You want me to show off for the show as they call the two keys.

So say hello to the bad guy,
I'm a better nigga but I'm still a mad fly.
They say I'm ruthless, I'm just trying to stay alive.
So when you see me say hello to the bad guy
I'm the bad guy, homie, I'm the bad guy
So when you see me say hello to the bad guy
I'm the bad guy, nigga, I'm the bad guy,
So when you see me say hello to the bad guy.

I'm the bad guy, the one they always blame it on
I'm tired to work these other niggas ballet hanging on
My credit cards are master p, ain't no limit to 'em
I've car bushing and I put it, quit the finish to 'em
I love beef shit, I eat it with my baked potato
Live by the gorge and keep the gee, is gonna be greater later
Juvenile needle, I'm a real goodie
I'm hard born, but I'm calling a Portalbelle pussy.
I don't play that, me and my road dogs
Get 'em up in as I chop the tip of your nose off
I'm real about the money, nigga, no flaws
Mercedes cooper, my speakers' knocking my doors off.

So say hello to the bad guy,
I'm a better nigga but I'm still a mad fly.
They say I'm ruthless, I'm just trying to stay alive.
So when you see me say hello to the bad guy
I'm the bad guy, homie, I'm the bad guy
So when you see me say hello to the bad guy
I'm the bad guy, nigga, I'm the bad guy,
So when you see me say hello to the bad guy.

You want a television ship, but you're a fall guy
Back to the top 'cause it ain't hard,
These niggas' fake up in a motherfucker, swear to God
I'm hating and I'm here to see you motherfucker starve
Bitches know who you is, you don't wanna set the charge.
You gonna inspect my pants, you know how I wanna this
I'm a looking on a biscuit on that money train, that is a thing.
They say I'm jail break, that even make a case
Niggas be talking about prison like that's a better place

Nobody with me anymore, I'm a forgotten homie
They're only riding on me, feel like they flying on me.

So say hello to the bad guy,
I'm a better nigga but I'm still a mad fly.
They say I'm ruthless, I'm just trying to stay alive.
So when you see me say hello to the bad guy
I'm the bad guy, homie, I'm the bad guy
So when you see me say hello to the bad guy
I'm the bad guy, nigga, I'm the bad guy,
So when you see me say hello to the bad guy.
