U.T.P. in the buildin'
Sinista on the motherfuckin' track, nigga...

I'm ridin' dirty, way low to the grass Whole hood payin' attention to me showin' my ass I just cooked up and the tube was fulled up I sold my whole thang cause my dude and them pulled up They talkin' about a nigga like a hurricane forecast Boy kinda ignorant but he could move the coke fast To hell with the talkin' nigga, we could go do it The package right here nigga, let's roll through it I'm down South bred, that's what my mamma and my daddy say Acts like New York and smoke cush the Cali way Gutter, I hustled the corner, cuts and alleyways Word mean nothin' to me, I'm goin' that-a-way I got a dynasty and I ain't throwin' that away I've been investin' my rhyme up on my strategy And I don't feel that it's time to put the strap away It's either that or just I'm full of that Alizé

We rock like that cause we rock like that
These U.T.P. niggas we rock like that
We rock like that cause we rock like that
These Magnolia niggas we rock like that
You can get it quick to your head, homeboy
I don't think you wanna fuck with me
You can get it quick to your head, lil' mama
I don't think you wanna fuck with me
