Juvenile

Slow motion for me
Slow motion for me, move it slow motion for me
Slow motion for me
Slow motion for me, move it slow motion for me

Uh, I like it like that
She working that back, I don't know how to act
Slow motion for me, slow motion for me
Slow motion for me, move it slow motion for me

Uh, I like it like that
She working that back, I don't know how to act
Slow motion for me, slow motion for me
Slow motion for me, move it slow motion for me

I'm a dick thrower
Her neck and her back hurting
Cut throat I'll have you like a brand new version
It's like when she get used to it then you start serving
Hop up on top and start jicky-jicky-jicky jerking

Slow down for me you moving too fast
My fingers keep slipping, I'm trying to grip that ass
Keep being hard headed and Ima make you get off me
Got human up the skies but my face is a doggy
