

# Good Problem

K Camp

Hell yea, that's a good problem...

Shawty just gettin outta college  
She a good girl, no mileage  
Hell yea, that's a good problem, Good Problem  
Hell yea, that's a good problem  
She don't like my phone on silent, On silent  
Cause for a nigga she'll get violent, Prrr-Prrr  
Hell yea, that's a good problem, Good Problem  
Hell yea, that's a good problem

I can't let you fade away, I can't  
All of this love for you bae, Wooh  
These niggas ridin your wave, Wooh  
Let's give em somethin to hate  
I can't let you fade away, I can't  
All of this love for you bae, Wooh  
Swear we like night and day, Wooh  
Can I put you first place?

Ahah, shawty fuck with the winnin team, RARE  
Pull up in the lamb, look like whipped cream, Yeah yeah  
Girl I been plottin you a bad ting, Bad  
Ya ex ain't nothin but a bad dream  
You should wake up  
Let me put you in that truck, Skrt  
New Saint Laurent with the cuffs  
Mason Margielas, Cavalli yo butt, butt  
Just bring the woods, Ima make sure it's stuffed, stuffed

She want a nigga it shows, shows  
She don't trip when I'm on road  
Hell yea, that's a good problem, Good Problem  
Hell yea, that's a good problem  
I can care less bout you hoes, hoes  
Might leave your fingers on froze  
Hell yea, that's a good problem, Good Problem  
Hell yea, that's a good problem

Shawty just gettin outta college  
She a good girl, no mileage  
Hell yea, that's a good problem, Good Problem  
Hell yea, that's a good problem, Baby  
She don't like my phone on silent, On silent  
Cause for a nigga she'll get violent, Prrr-Prrr  
Hell yea, that's a good problem, Good Problem  
Hell yea, that's a good problem

I can't let you fade away, I can't  
All of this love for you bae, Wooh  
These niggas ridin your wave, Wooh  
Let's give em somethin to hate  
I can't let you fade away, I can't  
All of this love for you bae, Wooh  
Swear we like night and day, Wooh  
Can I put you first place?

Look, you want a new bag, No biggie, Yo  
Jump inside the foreign  
Let's fuck around in the city, Skrt  
Baby, I ain't trippin  
As long as you fuckin with me  
I forgot to tell you  
These niggas ain't fuckin with me, Aye  
Pull up to the scene like yea yea  
I been watchin you all day  
That nigga lame and he crowdin your space  
We can make it work, girl you just need faith

Came right at the wrong time  
Fuck the other nigga girl you all mine  
Make sure you cut off your phone line  
Don't let em interfere with our time, our time  
Baby, the way you ride the dick so crazy  
Fuck around and have my babies  
Lookin like Janet from the 80's yea yea, Yea

Shawty just gettin outta college  
She a good girl, no mileage  
Hell yea, that's a good problem, Good Problem  
Hell yea, that's a good problem, Baby  
She don't like my phone on silent, On silent  
Cause for a nigga she'll get violent, Prrr-Prrr  
Hell yea, that's a good problem, Good Problem  
Hell yea, that's a good problem

I can't let you fade away, I can't  
All of this love for you bae, Wooh  
These niggas ridin your wave, Wooh  
Let's give em somethin to hate  
I can't let you fade away, I can't  
All of this love for you bae, Wooh  
Swear we like night and day, Wooh  
Can I put you first place?

Hell yea, that's a good problem, Good Problem  
Hell yea, that's a good problem  
Let's give em somethin to hate  
Let's give em somethin to hate  
Let's give em somethin to hate  
Hell yea, that's a good problem, Good Problem  
Hell yea, that's a good problem  
These niggas ridin your wave  
Can I put you in first place?

Good Problem...  
Yea yea yea yea...  
Slum...  
Rare sound
