

Caroline, Yes

Kaiser Chiefs

You've done well my boy, my oh my
I bet you thought that you had won this time
Watch your back because revenge is sweet
And you are everything I wanna be
You got everything so why oh why
Did you have to take Caroline?
I bet you thought that was the death of me
Cause you are everything I wanna be
In my life
In my life
You go your way and I'll go mine
But my way's better and it took less time
People say now that you look like me
Cause you are everything I wanna be
In my life
In my life
Aaaah...
Cause you are everything I wanna be
In my life
In my life
In my life
In my life
