

## Good Days Bad Days

Kaiser Chiefs

Follow the underdog  
Hold on his collar tight  
This city loves a scrap  
One day it's gonna bite  
Sticks and stones and animal bones  
Can't stop me from having a good day  
On a bad day  
There's good days and bad days

Making a night of it  
Breaking down barriers  
Drowning your sorrows  
Upset the regulars  
Sticks and stones and animal bones  
Can't stop me from getting away with  
Good days on bad days

If you had a different attitude  
Instead of take and take and take  
You have missed an opportunity  
And that's a really big mistake  
If you had a different attitude  
You'd still have good days and bad days
