

Tomato in the Rain

Kaiser Chiefs

Like a tomato in the rain
I got that feeling again
Like a greyhound in a race
I've got a rabbit to chase

Roll under me
No one's going down
You got the remedy
What's going around?

Like a beetle on its back
I've got to get back on track
Or a police man on the tape
Waiting down in the lane

If the wheel comes off your car
Hammer in a nail or two
Before it falls apart
Add in more nails and glue

Yes, I do know about you
Shall I come home?
Yes, I do know about you
Shall I come home?

I got that feeling again
I got that feeling again

Roll around with me
No one's going down
You got our memories
It all comes back around

Yes, I do know about you
Shall I come home?
Yes, I do know about you
Shall I come home, home, home, home?
