

# Tears

Kajagoogoo

I made a path of you  
I couldn't find the right words  
That's all I left to do  
I wonder if you heard it

Cos you... and me  
Could do... whatever we wanted to

But tears on my pillow  
Falling so lightly  
Just tears on my pillow  
Laying beside me

This photograph of you  
Was taken in a heartbeat  
It's all I have of you  
I've tried to move each heartbeat

For you... and me  
Could be... whatever we wanted to

But tears on my pillow  
Falling so lightly  
Just tears on my pillow  
Laying beside me

(MIDDLEx8 GUITAR SOLO)

Tears on my pillow  
Falling so lightly  
Just... tears on my pillow  
Laying beside me

(Tears on my pillow  
Falling so lightly  
Just tears on my pillow  
Laying beside me)

Tears on my pillow  
Falling so lightly  
Just tears on my pillow  
Laying beside... me!
