

## In The Time

Kaledon

Oh...Children of Kaledon...  
...careful, my sons...  
the visions in my dreams  
fly the dark wings  
I feel the evil's walks  
It's coming near...

I want to tell you a tale...  
story of the two princes...  
that were fraternal friends  
long, long time ago..  
...brothers...
