

Telepathic Messages

Kaledon

Sitting on the throne
I am receiving a great message
From the other side of the hall

A telepathic message
From my lord revealing a big plan
But maybe we can play with it

Daeniel could join me
As my son now...

This will be the right way,
Maybe the only way,
To destroy their hopes
And to became the king
Try to seduce Daeniel's mighty heart,
And to bring him to my side
So we rule in the night

Daeniel could join me
As my son now

This will be the right way,
Maybe the only way,
To destroy their hopes
And to became the king
Try to seduce Daeniel's mighty heart,
And to bring him to my side
So we rule in the night
This news of course upsets me
I need more time to think about
The plan to kill the king

They don't know that I know
That Daeniel must
Became (the) new king
When Antillus will be gone!
