

The Greatest Heart

Kaledon

You are my choice,
You are the man who'll guide the reign.
They need a new God...
You will be the new God on earth.

My heart, the greatest heart.
My soul, now in a man.

Your loyalty
And your wisdom for the reign.
Your sword
Will kill the enemy of Kaledon.

My heart, the greatest heart.
My soul, now in a man.

The only one,
The only one are you.
The dragon is the past,
Now there is the man on earth

My heart, the greatest heart.
My soul, now in a man.
