

The Evil Kin

Kalmah

Evil Kin, is it a sin?
To be born, out of love.
Lethal Code, in the blood.
Heritance, to recall.

The Devil's lash, around your neck.
Winding up, to the left.
Deception, of our kind.
In the blood of Jezus Christ.

As The Devil Calls!
They Can't Resist!
Those People Whose!
Names Are On His List!

All shall praise the evil kin!
All shall praise the evil kin!

Evil Kin, is it a sin?
To exist, or to breed.
The Genom, that belongs to all.
In Ingenious, trap to fall.

And the Winner, will be drawn.
In a lottery, that pleases as all.
And We just, can't resist.
Otherwise, we won't exist.

Hip Hip Hooray!
Glory To The Humanrace!
Hip Hip Hooray!
Glory To The Humanrace!

As The Devil Calls!
They Can't Resist!
Those People Whose!
Names Are On His List!

All shall praise the evil kin!
All shall praise the evil kin!
All shall praise the evil kin!
All shall praise the evil kin!
