

# I Want You

Kandi

Ain't no need in playing games  
'Cause I want you and I want you to want me, yeah  
And I hope you feel the same  
'Cause I want you and I want you to want me too, baby  
Yeah, I want you and I want you to want me too, baby  
Yeah, I want you and I want you to want me, yeah

I've been wondering what you're thinking  
Every day, hanging out as friends  
I can't wait 'til next time that we meet again  
I walk away hoping you grab my hand and share how you feeling

I wanna tell you how you make me feel so warm inside  
How all day I think of you and can't get you off my mind, no  
When I'm with you I hate when it's time to say goodbye  
And I hope this feeling is mutual tonight

Ain't no need in playing games  
'Cause I want you and I want you to want me, yeah  
And I hope you feel the same  
I want you and I want you to want me too, baby  
I want you and I want you to want me too, baby  
I want you and I want you to want me, yeah

I don't want seem aggressive, but why wait around on you to step to me?  
'Cause I just miss my opportunity  
So here I am showing you all my cards  
I'm gambling with my heart

I wanna tell you how you make me feel so warm inside  
How all day I think of you and can't get you off my mind  
When I'm with you I hate when it's time to say goodbye  
And I hope this feeling is mutual

Ain't no need in playing games  
'Cause I want you and I want you to want me, yeah  
And I hope you feel the same  
I want you and I want you to want me too, baby  
I want you and I want you to want me too, baby  
I want you and I want you to want me

I want you, I need you  
You are the thing that I've been missing in my life  
I want you and I want you to want me, yeah
