

Trade Him In

Kandi

You thought I was playin
You, you, you, you, you, you, you,
You thought I was playin
I told u I was so sick and tired of complaining
That's y I finally traded u in

[Verse 1:]

I treated u like royalty but u didn't ever wanna give me the same courtesy
U treated me like a toy that u didn't need kept me in a box and every now and
d then u played with me
I tried and tried and tried to tell u how I felt but u kept on doing your th
ing like u just didn't care sumthing bout the time I told u that I wouldn't
share but I guess u thought that I would never go nowhere no, no

[Chorus:]

Now your missin my kisses
Your missin my hugs
Your missin my juice box
Your missin my love
U took me for granted like I wasn't enough that's y I finally traded u in th
at y I traded u in
If he don't act right girl(trade him in)
If he breakin u down girl(trade him in)
Treat him like a car and get a new model trade him in trade him in
If he got screw loose(trade him in)
If he slow u down then trade him in
All my girls let's ride and hold your head high and trade him in trade him i
n

[Verse 2:]

Now u begging baby please cause u missin all the good love that u used to ge
t from me u miss how I do every single thing u like but now I be using them
tricks on somebody else tonight
Guess u ain't heard when a womens fed up and through there's nothing in the
world that'll make her come right back to u
U never ever thought that I would make a move how long u thought id sit and
be played like a fool

U thought I was playin
You, you, you, you, you, you, you,
U thought I was playin I told u I was so sick and tired of complanin I was w
aitin for u was strayin
That's y I finally traded u in that's y I traded u in

[Chorus]

[Verse 3: Gucci Mane]

She hired me then fired me she hired me then fired me
She fired me I'm tired said she stayed out so she lied to me untradeable unf
adeable tell b I'm irreplaceable Gucci cash is that's fine and dandy let me
see u step it up never will I stress one on to the next one just missed a go
od one always tryna flex sumthing y would u leave a keeper trade a bentley f
or a reagal evidently bluntley speakin me and him are not an equal 50 gran o
ne shoulder shower he make 13 bucks an hr we make love each night for hrs he
don't beat that thing with power tell the truth that boys a coward come bac
k I can't live without ya he say let me get that out ya sorry send that boys
sum flowers

If he don't act right girl(trade him in)
If he breakin u down girl(trade him in)
Treat him like a car and get a new model trade him in trade him in
If he got screw loose trade him in
If he slow u down trade him in all my girls let's ride and hold your head hi
gh and trade him in trade him in

Trade him in
Trade him in
Trade him in yeah
