

# Catwalk Criminal

Kane

I...

I want you to know right now  
You're not the only one  
I want you to know right now

And I, I'd like you to understand  
I'm just a simple man  
I want you to know right now

And I  
I want you to understand  
I'll take it because I can  
I want you to understand

If only you could see me now  
I would just do anything  
I could just do anything  
I'm just about to do everything

'Cause she's a catwalk criminal  
Some kind of animal  
She wants for nothing  
'Cause she knows she's got it all  
My pretty voodoo doll  
Miss unpredictable  
She doesn't know it  
But she's got to be all mine  
(mine)

I...

I want you to see me now  
But don't come 'till I show you how  
I just want you to feel it now

And I  
I want you to know right now  
I dig you more than you know right now  
I think you should know right now

If only you could see me now  
I would just do anything  
I could just do anything  
I'm just about to do everything

'Cause she's a catwalk criminal  
Some kind of animal  
She wants for nothing  
'Cause she knows she's got it all  
My pretty voodoo doll  
Miss unpredictable  
She doesn't know it  
But she's got to be all mine

Catwalk criminal  
Some kind of animal  
She wants for nothing  
'Cause she knows she's got it all

My pretty voodoo doll  
Laced up and physical  
She doesn't know it  
But she's got to be all mine

I want you to know right now  
I want you to know right now
