

I belong to you

Kane

I belong to you
I belong to you
Whatever's gonna happen,
I belong to you
Hey what's on your mind,
It's gonna be alright
Whatever's gonna get you
Won't come tonight
And I belong to you

Oh, it's been a long, long time
Since everything before you
It took a long, long time
For both of us to arrive
Oh, it's been a long, long time
But here I'm standing here for you
Oh, I've been waiting for you
It took a long, long time
For everyone to get by

I belong to you
I belong to you
Whatever's gonna happen
I belong to you

Oh, it's been a long, long time
Since everything before you
It took a long, long time
For both of us to arrive
Oh, it's been a long, long time
But here I'm standing here for you
It took a long, long time
For everyone to get by

But I belong to you
I belong to you
They say I was already yours
Right there from the start
It just took me a little while
Oh, it took me a little while
Now I understand
That I belong to you
I belong to you
I belong to you
I belong to you
