

Just Go

Kane

Hold on to your wings
And never let them go (2x)
Fly on to the wind
To where you wanna go (2x)
Why don't you just go baby
Live it and fly oh live it and fly
Just do it
Baby just go
Live till you die oh live till you die
Believe it
Baby just go
Wait on to the end
And never let it slip (2x)
Coz sometimes
Sometimes you've gotta be strong
No matter what they say yeah
You've got to find your own way
And go yeah yeah yeah
Live it and fly oh live it and fly
Just do it
Baby just go
Live till you die oh live till you die
Believe it
Baby just go
Live till you die
Live it and fly my baby yeah
Baby just go yeah yeah
Live till you die yeah yeah oh yeah baby yeah
Baby just go yeah yeah woooo yeah oohh yeah oohh yeah yeah yeah
yeah yeah (2x)
Baby just go
For one day you see
One day you see
Time runs out
From underneath your wings
Time runs out (2x)
