Crossfire

Underneath the sky of blue, it's a time of choosing Everybody's holding on, to what they're losing But it all works out okay, if you give your life away To the one who's holding fast, it's a promise that will last

You're caught in a crossfire Of a greater love than man has ever known Caught in a crossfire And you've got to choose which way you're gonna go Caught in a crossfire In a world of darkness turn to the light

Time's disappearing, all that you're fearing Dreamers awaken, chances are taken away

There isn't any in-between, there's no escaping If you step across the line, it's illuminating And the words are clear and true and they all were meant for you For you harvest what you sow, so where you gonna go

You're caught in a crossfire Of a greater love than man has ever known Caught in a crossfire And you've got to choose which way you're gonna go Caught in a crossfire In a world of darkness turn to the light

There's no pretending, no other ending All is forgiven, if you are living a new

Everybody faces it, now or later You can't get around it, 'cause it's human nature And deep within the hardest heart There is something there that knows There's a hunger life can never fill Till you face the one who rose

You're caught in a crossfire Of a greater love than man has ever known Caught in a crossfire And you've got to choose which way you're gonna go Caught in a crossfire In a world of darkness turn to the light

Time's disappearing, all that you're fearing Dreamers awaken, chances are taken There's no pretending, no other ending All is forgiven, if you are living a new, living a new Kansas
