

## Hold On

Kansas

Look in the mirror and tell me  
Just what you see  
What have the years of your life  
Taught you to be  
Innocence dyin' in so many ways  
Things that you dream of are lost  
Lost in the haze

Hold on, Baby Hold on  
'Cause it's closer than you think  
And you're standing on the brink  
Hold on, Baby Hold on  
'Cause there's something on the way  
Your tomorrow's not the same as today

Don't you recall what you felt  
When you weren't alone  
Someone who stood by your side  
A face you have known  
Where do you run when it's too much to bear  
Who do you turn to in need  
When nobody's there

Outside your door He is waiting  
Waiting for you  
Sooner or later you know  
He's got to get through  
No hesitation and no holding back  
Let it all go and you'll know  
You're on the right track
