

# Icarus - Borne On Wings of Steel

Kansas

Early in the morning sunlight  
Soaring on the wings of dawn  
Here I'll live and die with my wings in the sky  
And I won't come down no more

Higher than a bird I'm flying  
Crimson skies of ice and fire  
Borne on wings of steel I have so much to feel  
And I won't come down no more

Sail on, sail on, I will rise each day to meet the dawn  
So high, so high  
I've climbed the mountains of the sky  
Without my wings you know I'd surely die  
I found my freedom flyin' high  
I've climbed the mountains of the sky

Floating on a cloud of amber  
Searching for the rainbow's end  
Earth so far below me,  
I'm here alone, free  
I can't come down no more
