

## Magnum Opus

Kansas

This foolish game, oh it's still the same  
The notes go dancin' off in the air  
And don't you believe it's true,  
the music is all for you  
It's really all we've got to share  
Cause Rockin' and Rollin', it's only  
howlin' at the Moon.  
It's only howlin' at the Moon.
