

## People of the South Wind

Kansas

There are some who can still remember  
All the things that we used to do  
But the days of our youth were numbered  
And the ones who survive it are few  
Oh, I can still see the smiling faces  
When the times were so good  
All in the old familiar places  
I'd go back if I could (to the)

People of the south wind,  
people of the southern wind  
It's the people of the wind,  
I got to be there again

Well, it's a hard thing to face the music:  
But it's something everybody has got to do  
So I hope that I can always remember  
All the crazy times we had to go through  
Now it's a dream that is slowly fading  
And I don't want it to go  
All of the memories are evading  
And I want you to know (it's the)

People of the south wind,  
people of the southern wind  
It's the people of the wind,  
I got to be there again

Now we've traveled all across the oceans  
And we've seen what there is to see  
But I guess it's not the proper solution  
Cause it's all about the same to me  
Now I look back and it makes me wonder  
Why we just couldn't see  
All of the battles we fought and won there  
And I wish that I could be with the

People of the wind  
I want to see 'em again  
It's where we used to be free  
And that's the place for me  
It's just a state of my mind  
A thing that's so hard to find
