I need to call it off
I need to, I need to make it known
Another one, leprechaun
Capricorn
Dancing out on the lawn
Fancy like the things she likes
She lives her life
I'm living mine

All dem a gwaan dem a dem a dem a gwaan Dem a gwaan gwaan, sof-sof-softer sof-softer All dem a gwaan dem a dem a dem a gwaan Dem a gwaan gwaan, softer than clay

Maybe it's cause she into Leos And I was into trios, plus all the trips to Rio Couldn't have helped, it's gettin' cold Better bring your ski clothes, peeking through the keyhole The door locked by myself and I'm feelin' it right now Cause it's the time when my heart got shot down Blocka, blocka, blocka blocka Pour a little champagne, cranberry vodka Feelin' lied to like parents never said you adopted Your feelings like Zulu, then nothing is a Shaka I hit her with Jamaican dick, I'm the new Shabba She lookin' for her daddy, call me Big Poppa On to the next saga Focus on the future and let the crew knock her Star Wars fur, yeah I'm rockin' Chewbacca The one Chief Rocka, number one Chief Rocka

None ah dem have the guts to rise it and spray None ah dem have the guts to bust the  ${\tt AK}$ 

Oh, oh, oh

If you love me so much then why'd you let me go?

If you love me so much then why'd you let me go?

If you love me so much then why'd you let me go?

Let me go, let me go, let me go

If you love me so much then why'd you let me go?

Let me go
