I don't know where I'm going,
My Dad died, and uh, He left me his degrees,
My mom would always say, dad, why dont you work?,
But he just kept learning,
All the other kids parents were working and saving up money for
school,
And I was accually in school all while my dad was in school!,
He Even, he was so greedy with degrees he took my degree,
And now I'm just glad he left me these,
Because all the regular homeless people have newspapers,
And look what I have.
These are documented,
My father left them to ME,
And I'm gonna leave them to my kids,
I'm gonna learn too,
I'm gonna be supersmart,
So I too can die without money but Im gonna be the smartest Dea
d guy,
Who has that?
