And your mother's sayin go to college
So you finish college and it's wonderful
You feel so good.
Now after all the patrying and crazin,
And don't forget about that drug habit you picked up at school
bein around your peers
Hey! Now you'll get that 25 thous job a year
And you'll spend all your money on crack-cocaine

And boy is that great.
You get to take messages for the secretary who never went to co
llege
She's actually the boss's niece!
So now you're part of the family

You know how many classes I took?
Extra classes, extra classes
No I've never had sex!
But ya know what?
My degree keeps me satisfied.

When a lady walked wit me she say
Ya know what's sexy?
No I don't know what it is
But I bet I could add up all the change in your purse,
Very fast
