

# The Birds They Circle

Karen Elson

The birds they circle in the sky  
Oh the birds they circle in the sky  
the birds the circle in the sky  
for all the blood red tears I cried  
Oh, the birds they circle in the sky

See the man as he rushes towards the sun  
see the man as he rushes towards the sun  
the man as he rushes towards the sun  
straight into the arms of another one  
see the man as he rushes towards the sun

But I hold a secret in my bones  
Oh but I hold a secret in my bones  
what's that secret in my bones?  
I carried it down to the dirt below  
for I know the secret in my bones

The birds they circle in the sky  
Oh the birds they circle in the sky  
the birds the circle in the sky  
for all the blood red tears I cried  
Oh, the birds they circle in the sky
