

## Beast

Karen O

Oh my only  
I like the man  
I love the beast, he knows me

Oh be decent  
Could all these songs seem all sung for  
A reason

Try  
You will find  
You will fight  
You will find

Oh my passing  
My heart was never interested  
In lasting

Oh find  
You will find  
You will fight  
You will find

Didn't you ever have enough
