

All Night Long

Kari Kimmel

Are you ready cause I'm ready let's go now
Let's take off let's not waste a moment
No holding back, I'm in control yeah
All night long
I got on my lipstick and high heels
Gonna do whatever, whatever I feel
Dance underneath the stars live it up yeah
All night long

I'm not wait wait waiting the night
Taking every chance cause it feels right
I'm going crazy all night long
Gonna shake shake shake it tonight
Gonna break every rule 'cause it feels right
I'm going crazy, all night long

Let's fly to Paris, fly off to London
I don't care as long as we're having fun yeah
I'll tell you ever secret you wanna hear
All night long
I'll jump out of an airplane with you
Do it up cause we got nothing to lose
Sleep underneath the stars making love
Yeah all night long

I'm not wait wait waiting the night
Taking every chance cause it feels right
I'm going crazy all night long
Gonna shake shake shake it tonight
Gonna break every rule 'cause it feels right
I'm going crazy, all night long

Oh-oh
Oh-oh
Oh-oh
Yeah all night long
Oh-oh
Oh-oh
Oh-oh
Yeah all night long

I'm not wait wait waiting the night
Taking every chance cause it feels right
I'm going crazy all night long
Gonna shake shake shake it tonight
Gonna break every rule 'cause it feels right
I'm going crazy, all night long

Oh-oh
Oh-oh
Oh-oh
Yeah all night long
Oh-oh
Oh-oh
Oh-oh
Yeah all night long
