

Faded Lines

Kari Kimmel

Regrets are fading now it's time
To take you home now, love
Ever printed in the sight
of beauty, only love
The faded lines

I need to go on
I need to find a resting place
Though I'm afraid of love
I've got a hold on what it takes
Hope it's enough
Hope it's enough

The shallow wind it breaks my fall
I didn't expect this
I thought that I would get the call
But I wasn't on the list, no
I didn't expect this, no, no

I need to go on
I need to find a resting place
Though I'm afraid of love
I've got a hold on what it takes
Hope it's enough
Hope it's enough

I've been searching this whole time
Hoping I was right
But I'm much braver now
And I'm guarding it with my life
Won't let this beauty die
All these faded lines

I need to go on
I need to find a resting place
Though I'm afraid of love
I've got a hold on what it takes
Hope it's enough
Hope it's enough
