

For Anyone

Kari Kimmel

Another broken heart
Another reckless start
Another reason to give up another day
No one to make it right
To hold you when you cry
It's time to face it, be courageous and be brave
No I don't need your lies
I don't need you to try
To make me feel anything less than...

Beautiful and I don't need to change for anyone
Yeah I'm glowing in the darkness
Shining brighter than the sun
I got everything I need, got it all right here
So don't try to bring me down
I'm beautiful and I don't need to change for anyone

Yeah yeah yeah yeah... Oh oh oh
Yeah yeah yeah yeah...

I like the way I am
Don't tell me that I can't
It's only gonna make me stronger than before
My insecurities
Won't get the best of me
Only believing in myself and in my Lord
No I don't need your lies
I don't need you to try
To make me feel anything less than...

Beautiful and I don't need to change for anyone
Yeah I'm glowing in the darkness
Shining brighter than the sun
I got everything I need, got it all right here
So don't try to bring me down
I'm beautiful and I don't need to change for anyone

I won't let anybody's words take me down
I know who I am inside
You ain't ever gonna steal my light
I'm blockin' out all the darkness trying to tear me down
I ain't gonna run and hide
I ain't goin' down without a fight

Yeah yeah yeah yeah... Oh oh oh
Yeah yeah yeah yeah...

'Cause I'm beautiful and I don't need to change for anyone
Yeah I'm glowing in the darkness
Shining brighter than the sun
I got everything I need, got it all right here
So don't try to bring me down
I'm beautiful and I don't need to change for anyone

(Beautiful)
Yeah yeah yeah yeah...
(Beautiful)

Yeah yeah yeah yeah...
(Beautiful)
Yeah yeah yeah yeah...
(Beautiful)
Yeah yeah yeah yeah...
