

Rebound

Kari Kimmel

Just a rebound
I don't think you are
My head is yelling
My heart can't wait for it to start
Oh yeah
A chapter's ended
Just a month ago
To soon already
To think that I already know
I don't

But you don't really want me yet
Cause there are only pieces of me left
So will you wait a while

Cause I'm afraid to fall in love to mess it up
Again
I wish I could give you up and not break down
And you were just a rebound

Complicated
You couldn't even know
But that may be part of what's intriguing you the most
This sucks

I've not completely let him go
I'm falling for you but I need to be alone

Cause I'm afraid to fall in love to mess it up
Again
I wish I could give you up and not break down
And you were just a rebound

You got me twisting and turning don't know what to do
I'm in love
I wanna give you the best but I'm in no place to
I should give you up

But I'm afraid to fall in love to mess it up
Again
I wish I could give you up and not break down
And you were just a rebound

Oh yeah yeah yeah
You got me twisting and turning don't know what to do
Oh yeah (just a rebound)
Oh yeah
I wish you were just a rebound
