

Where You Belong

Kari Kimmel

If you're feeling down or weak
You can always count on me
I will always pick you up
Nothing's ever gonna change

Nothing's getting in my way
I will always hold you up
Anything, come with me
Don't look back forget yesterday

It's not where you come from
It's where you belong
Nothing I would trade
I Wouldn't have it any other way

You're surrounded
By love and you're wanted
So never feel alone
You are home with me
Right where you belong

I know sometimes you're feeling lost
It's hard to find your place in it all
But you don't have to fear
Even when you mess up

You always got my love

I'm always right here
Oh cause, Anything come what may
Don't look back forget yesterday
Forget Yesterday

It's not where you come from
It's where you belong
Nothing I would trade
I Wouldn't have it any other way

You're surrounded
By love and you're wanted
So never feel alone
You are home with me
Right where you belong

Oooo Oooo (Oooo)
Oooo Oooo (Oooo)
Don't matter where you've been
Oooo Oooo (Oooo)
Oooo Oooo (Oooo)
You're here for a reason

Oooo Oooo (Oooo)
Noooooooo

It's not where you come from
It's where you belong
Nothing I would trade
I Wouldn't have it any other way

You're surrounded
By love and you're wanted
So never feel alone
You are home with me
Right where you belong
