

While You Were Up High

Kari Kimmel

Love what you used to hate
Cast a pest on your fate
Just too busy now
Selling yourself short
Thinking you're so badass
But you're better than that
Somehow you got lost
So I'll wait til it's one up
Til it's one up

I won't give up
I won't give in
I won't stop cause you got me forever
And when you're done
Shining your star
You'll see the light
Was waiting while you were up high
Up high
Waiting while you were up high
Up high
It was waiting while you were up high

Thought you were beautiful
You thought you were unloved
Everything to me
But you already gave up
You needed fancy things
To make you feel worth enough
Was it enough?

I won't give up
I won't give in
I won't stop cause you got me forever
And when you're done
Shining your star
You'll see the light
Was waiting while you were up high
Up high
Was waiting while you were up high
Up high
Was waiting while you were up high
Up high
Was waiting while you were up high
Up high
Was waiting while you were up high

When it's all gone
When it's all been said and done
When you traded in yourself and lost it all
I will help you find your way back home

I won't give up
I won't give in
I won't stop cause you got me forever
And when you're done
Shining your star
You'll see the light

Was waiting while you were up high
Waiting while you were up high
High
Was waiting while you were up high
Up high
Waiting while you were up high
Up high
Was waiting while you were up high
High
Up high
High
Was waiting while you were up high
