

Only A Fool

Karla Bonoff

Well, baby what you trying to prove
By being alone
And no one can get through to you
Is there anyone home?

So don't say that it's love you lacked
I paid the price now we're paying the tax
I gave it all, and I got nothing back
Only a fool gives a heart like that

Well, I said that you never gave enough
And I know this is true
I see now that you never gave it up
So you'd have nothing to lose

So don't say that it's love you lacked
I paid the price now we're paying the tax
I gave it all, and I got nothing back
Only a fool gives a heart like that

I know that I need you
And that made you scared
If I'd known how to reach you
But I'm giving up, it's too late to care

Well, I guess that it's really over now
This is where I belong
And baby you know it's kind of funny how
All the tears made me strong

So don't say that it's love you lacked
I paid the price now we're paying the tax
I gave it all, and I got nothing back
Only a fool gives a heart like that
