

## Restless Nights

Karla Bonoff

Could it be that I just called you up that time  
Cause he made me feel lonely  
And we, I guess we knew it was a crime  
But I knew you would hold me right  
Your love I could never fight

Those restless nights  
so warm and wild  
His touch was ice  
Your love was fire

I know everyone needs to feel they're loved  
Maybe I asked for too much  
Sometimes I really felt so pushed and shoved  
But I never meant to hurt him at all  
When I slipped you would break my fall

Maybe I'm a fool  
But I just can't seem to settle down  
Always thinking there's another star  
Maybe that's the key  
'Cause love is never really sound  
And it's the only thing I can do  
'Cause I wasn't very good at being true

And now I look back at all the broken dreams  
And wonder if I could have changed them  
I see that it was in the scheme of things  
'Cause still, when I see your face  
I know nothing will replace
