

# Rose In My Garden

Karla Bonoff

There's a rose in the garden  
It will bloom if you're sure  
That you pay close attention  
but leave it room

I know your heart can be opened  
And like the rose, it will bloom  
if I pay close attention  
But leave you room

I'm not telling any lies now  
I need you  
You know how  
I think I can see how to let you grow  
I've got to let you go

That's my face in the mirror  
It's sometimes you that I see  
We've been here for so long now  
I see your soul in me

I'm not telling any lies now  
I need you  
You know how  
I think I can see how to let you grow  
I've got to let you go

'cause there's a rose in the garden  
It will bloom if you're sure  
That you pay close attention  
but leave it room
