

# I Need A Doctor

Karmin

Im about to lose my mind  
You've been gone for so long  
I'm running out of time  
I need a doctor  
Call me a doctor  
I need a doctor, doctor  
To bring me back to life

I told the World one day I would pay it back  
Say it on tape, and lay it, record it  
So that one day I could play it back  
But I don't even know if I would leave it when I'm saying that  
Ya'll start to creep in, everyday its so grey and black  
Hope I just need a ray of that  
Cause no one see's my vision when I play it for em  
They just say its wack  
Thye don't know what dope is  
And I don't know if I was awake or asleep  
When I wrote this,  
All I know is you came to me when I was at my lowest  
You picked me up, breeding life in me  
I owe my life to you  
Before the life of me, I dont see why you dont see like I do  
But it just dawned on me you lost a son  
See this light in you, it's dark. let me turn on the lights and brigthen me  
and lighten you  
I dont think you realise what you mean to me  
Not the slightest clue  
Cause me and you were like a crew  
I was like your sidekick  
You gonna either wanna fight me when I get off this fucking mic  
Or you gonna hug me  
But I'm not an option, theres nothing else I can do cause...

[Chorus]

Im about to lose my mind  
You've been gone for so long  
I'm running out of time  
I need a doctor  
Call me a doctor  
I need a doctor, doctor  
To bring me back to life

It hurts when I see you struggle  
You come to me with ideas  
You say there pieces so I'm puzzled  
Cause the shit I hear is crazy  
But your either getting lazy or you don't believe in you no more  
Seems like your own opinions, not one you can form  
Cant make a decision keep questioning yourself  
Second guessing and its almost like your begging for my help  
Like I'm your leader  
Your susposed to be my fucking mentor  
I can endure no more,  
I demand you remember who you are  
It was YOU, who believed in me When everyone was telling you dont sign me  
Everyone at the fucking label, lets tell the truth

You risked your career for me  
I know it as well as you  
Nobody wanted to fuck with the white boy  
That's why I'm crying in this booth  
You saved my life, now maybe it's my time to save yours  
But I can never repay you what you did for me is way more  
But I ain't giving up faith and you ain't giving up on me  
Get up Dre, I'm dying I need you, come back for fuck sake

[Chorus]

Im about to lose my mind  
You've been gone for so long  
I'm running out of time  
I need a doctor  
Call me a doctor  
I need a doctor, doctor  
To bring me back to life  
Bring me back to life  
Bring me back to life

(I need a doctor, doctor  
To bring me back to life)

It literally feels like a lifetime ago  
But I still remember the shit like it was yesterday though  
You walked in, yellow jump suit  
Whole room, cracked jokes  
Once you got inside the booth, told you, like smoke  
Went through friends, some of them I put on  
But they just left, they said was riding to a death  
But where the fuck are they now  
Now that I need them I don't see none of them  
All I see is Slim  
Fuck all you fair-weather friends  
All I need is him  
Fucking backstabbers  
When the chips were down you just laughed at us  
Now you bout to feel the wrath of aftermath, faggots  
You gon see us in our lab jackets and ask us where the fuck we been?  
You can kiss my indecisive ass crack maggots and the crackers ass  
Little crack a jack beat making wack math,  
Backwards producers, Im back bastards  
One more CD and then I'm packing up my bags and as I'm leaving again  
I'll guarantee they scream Dre don't leave us like that man cause...

[Chorus]

Im about to lose my mind  
You've been gone for so long  
I'm running out of time  
I need a doctor  
Call me a doctor  
I need a doctor, doctor  
To bring me back to life  
Bring me back to life  
Bring me back to life
