Set Fire To The Rain

I let it fall, my heart, And as it fell you rose to claim it It was dark and I was over Until you kissed my lips and you saved me

My hands, they're strong But my knees were far too weak, To stand in your arms Without falling to your feet

But there's a side to you That I never knew, never knew. All the things you'd say They were never true, never true, And the games you play You would always win, always win.

But I set fire to the rain, Watched it pour as I touched your face, Well, it burned while I cried 'Cause I heard it screaming out your name, your name!

When I lay with you I could stay there Close my eyes Feel you here forever You and me together Nothing gets better

But there's a side to you That I never knew, never knew, All the things you'd say, They were never true, never true, And the games you'd play You would always win, always win.

But I set fire to the rain, Watched it pour as I touched your face, Well, it burned while I cried 'Cause I heard it screaming out your name, your name!

I set fire to the rain And I threw us into the flames When it fell, something died 'Cause I knew that that was the last time, last time!

Sometimes I wake up by the door, And heart you caught must be waiting for you Even that when we're already over I can't help myself from looking for you.

I set fire to the rain, Watched it pour as I touched your face, Well, it burned while I cried 'Cause I heard it screaming out your name, your name

I set fire to the rain,

Karmin

And I threw us into the flames When it fell, something died 'Cause I knew that that was the last time, the last time, ohhhh!

Oh noooo
