

# Yesterday

Karmin

I'm all out, I'm all out, I'm all out, I'm all out  
I'm all out, I'm all out, I'm all out  
I'm all out, I'm all out, I'm all out  
I'm all out

Oh how I missed your eyes  
Your half-crooked smile  
And the magic that you keep in your hands  
But goodness, here we go again  
Reality knows that I only wanna leave it behind

We say every time, it's the final crime  
But we meet at the spot 'cause it's all that we got  
See the world is tough on forbidden love  
And I don't wanna go it alone

Oh, why you got to leave here tomorrow?  
Don't you love me like yesterday?  
Take my hand and leave all your sorrow  
Everything can wait

Oh, why you got to leave here tomorrow?  
Don't you love me like yesterday?  
Take my hand and leave all your sorrow  
Don't throw this away

You said you're over this, the fights and the calls  
And I thought that you and I had it planned  
You told me you were done with her  
But she's got the rock  
Which is making this too complicated

We say every time, it's the final crime  
But we meet at the spot 'cause it's all that we got  
See the world is tough on forbidden love  
And I don't wanna go in alone

Oh, why you got to leave here tomorrow?  
Don't you love me like yesterday?  
Take my hand and leave all your sorrow  
Everything can wait

Oh, why you got to leave here tomorrow?  
Don't you love me like yesterday?  
Take my hand and leave all your sorrow  
Don't throw this away

Straight out, movie scene  
No one with the camera, see  
Doesn't matter what you say, matter what you do  
Livin' on security screens  
Late night, dancing queen  
Hotel slot machines  
Deal out for me, Dominique  
I don't know how long I'll be on a streak

Oh, why you got to leave here tomorrow?

Don't you love me like yesterday?  
Take my hand and leave all your sorrow  
Don't throw this away

Oh, why you got to leave here tomorrow?  
Don't you love me like yesterday?  
Take my hand and leave all your sorrow  
Don't throw this away

I'm all out, I'm all out, I'm all out, I'm all out  
I'm all out, I'm all out, I'm all out  
I'm all out, I'm all out, I'm all out  
I'm all out

¿Ay por qué te vas a mañana?  
¿No me amas como ayer?  
Toma mi mano y dejar sus penas  
Todo espera
