

Love That's Mine

Karyn White

Baby, I noticed lately
You're acting strange
Could it be that you want out
Honey, you must be crazy
I gave you the best lovin' that any man could ever have

So I need to know if you love me and I love you back
How could you be so confused
My love for you, there'll never be

There'll never be a better love
Better than the love that's mine
You'll never find a better love
Better than the love that's mine

Baby, baby, baby, no

Funny, that thing outdoor again
But you keep saying that you got to have some space
Baby, whatever makes you happy
If you wanna go out, here I'll show you to the door

Cause all I need to know if this is how you show your love
Oh baby, baby please don't love me
What's good for you will do for me, I don't know
This I guarantee

I know there'll never, never be
There'll never be a better love
Better than the love that's mine
You'll never find a better love
Better than the love that's mine

Never find a love that's mine

Karyn, you never cease to amaze me
For your end is crazy
To think that you could ever find a love like mine
Certain things are really happening
Like me I'm bragging, brag girl
Any man would love to have a love like mine

You'll never find a love like mine
Keep searching, you'll discover
Love's so hard to find
You'll never find another love like mine
Baby, there can never be no other
Love's so hard to find

Oh, yeah, a love like mine you'll never find, I know
A better love than love that's mine
You'll never find it
Oh baby
There will never be another lover
I give you love
I give you love better than another
You'll never find a love that's mine
