

# Ritual of Love

Karyn White

I can't control this thing  
It's got a lotta power  
Can you feel it?  
Love is a ritual

A rage of passion, I can't control this thing  
You touch my body and it sets me free  
I need your love tonight and forevermore  
Don't stop giving good love  
'Cause I can give you so much more

Feel the rhythm pounding to the ritual of love  
Oh, can you feel it  
Feel the rhythm pounding to the ritual of love  
Ooh, oh, baby

I need your love tonight and forevermore  
Don't stop giving good love  
'Cause I can give you so much more  
Feel the rhythm pounding to the ritual of love

I'm under your spell  
Wrapped in pleasures of desire  
Mixed with intensity that's stimulating me  
With a higher love activity  
When it takes control on me  
Don't stop giving good love  
'Cause I can give you so much more

Feel the rhythm pounding to the ritual of love  
Love is a ritual of love  
Feel the rhythm pounding to the ritual of love  
Oh, yeah, feel the rhythm of the ritual of love  
Feel the rhythm pounding to the ritual of love  
Yeah, ritual of love  
Feel the rhythm pounding to the ritual of love  
Everybody sing, now

Can you feel it?

Dance to the ritual  
Feel the rhythm of the ritual  
Love rhythms to make it dance  
Ceremony of how we love  
Our bodies dance in ritual  
Feel the rhythm pounding to the ritual of love, baby

Can you feel it?  
Set my spirit free  
Oh, just take control of me

Ceremony of how we love  
Our bodies dance in ritual  
Feel the rhythm pounding to the ritual of love

Feel the rhythm of the ritual  
Wrapped up in the ritual

Oh, baby, can you feel it  
Feel the rhythm of the ritual  
Wrapped up in the ritual  
Rhythm is a ritual

Ceremony of how we love  
Our bodies dance to the rhythm of the ritual  
Feel the rhythm pounding to the ritual of love  
Feel the rhythm
