

Blue

Kasey Chambers

Green is for the trees to grow
White is for the fallin' snow
Black is for the turnin' wheel
Blue is for how I feel
Red is for the fire to burn
Brown is for the leaves to turn
Silver's for the cold, cold steel
Blue is for how I feel
Why, oh why, do I cry, oh cry?
Why, oh why, do I cry, oh cry?
Grey is for the stormy skies
Yellow's for the sun to shine
Gold is for the thief to steal
Blue is for how I feel
Why, oh why, do I cry, oh cry?
Why, oh why, do I cry, oh cry?
Why, oh why, do I cry, oh cry?
Why, oh why, do I cry, oh cry?
