

Heaven or Hell

Kasey Chambers

Pretty little devil with the red dress on
High on the horse until
One of these days you're gonna have to come
Down from the rollin hill

Rich old man no shovel no hoe
Trust in the family name
One of these days you're gonna have to go
Back to the place you come

Oh oh where do you go
Where do you go when they bid farewell
Oh oh where do you go
Will it be heaven or hell

Hidden little box under the stairs
With a contents made of gold
One of these days your gonna have to give
Back all the things you stole

Clever little liar with a righteous tongue
Reputation to uphold
One of these days you're gonna have to come
Out of the lies you told

Oh oh where do you go
Where to you go when they bid farewell
Oh oh where do you go
Will it be heaven or hell

Oh oh where do you go
Where to you go when they bid farewell
Oh oh where do you go
Will it be heaven or hell

Never had the moneu fort the things I want
But I'm quick with the sleight of hand
One of these days I'm gonna have to come
Up with a better plan

I'm a liar I'm a cheat I'm a fool I'm a wreck
I'm a sinner and I have betrayed
One of these days I'm gonna have to get
Down on my knees and pray

Oh oh where do you go
Where do you do when they bid farewell
Oh oh where do you go
Will it be heaven or hell

Oh oh where do you go
Where do you do when they bid farewell
Oh oh where do you go
Will it be heaven or hell

Oh oh where do you go
Where do you do when they bid farewell

Oh oh where do you go
Will it be heaven or hell
