

Well, I spy with my little eye
Somethin' beginnin' with a T
It's got yellow black stripes and a long tail
And it's standin' here lookin' at me
Well, it's a tiger, it's a tiger
Lordy, what a find, it's comin' up behind
It's a tiger, it's a tiger
Ooh, bup, ad, da, da, da, da, da, da
Well, I spy with my little eye
Somethin' beginnin' with a B
Well, it's shaped like a circle with a long neck
And you can play it on your knee
I know
Well, it's a banjo, it's a banjo
Lordy, what a find, we're goin' back in time
It's a banjo, it's a banjo
Ooh, bup, ad, da, da, da, da, da, da
Well, I spy with my little eye
Somethin' beginnin' with an F
It's got a heart of gold as big as a whale
And I can see it to my right and my left
Well, it's a family, it's a family
Lordy, what a find, how lucky am I
It's a family, it's a family
Everybody stand, it's time to clap your hands
It's a tiger, it's a tiger
Lordy, what a find, it's comin' up behind
It's a banjo, it's a banjo
Lordy, what a find, we're goin' back in time
It's a family, it's a family
Lordy, what a find, how lucky am I
It's a family, it's a family
Ooh, bup, ad, da, da, da, da, da, da
Now we have to start all over again
No, can we get a [Incomprehensible]?
