

# Imagination

Kasey Chambers

If the lights go out in the dark of the night  
If you cannot sleep and the bed bugs bite  
If the tree branch makes shadows on your wall

If it sounds like somethin' is under the bed  
If it's louder than the thoughts that are in your head  
If it feels like the sky is gonna fall

You can crawl into your imaginary spaceship  
Grab an imaginary wheel and steer  
Hold your breath for an imaginary moment  
And fly away, yeah, fly away from here  
From here

If the lightnin' strikes and the thunder rolls  
If the rain comes down and the wind it blows  
If you shiver from your head to your feet

If you close your eyes and it all goes black  
If you send out a prayer but it don't come back  
If you finally have counted all the sheep

You can crawl into your imaginary spaceship  
Grab an imaginary wheel and steer  
Hold your breath for an imaginary moment  
And fly away, yeah, fly away

Fly away, fly away  
You can fly away, you can fly away  
Yeah, fly away  
You can fly away

Fly away, fly away  
Fly away, fly away  
Fly away, fly away  
Fly away, fly away

Fly away, fly away  
Fly away, fly away  
Fly away, fly away  
Fly away from here
