

On A Bad Day

Kasey Chambers

Everytime my tears
Have ever fallen
I keep 'em in my pocket
For a rainy day

So when it's pouring
I take them outside
I let the rain start washin'
My tears away

But on a bad day
When hearts are breaking
There's not enough rain to carry
All the tears away

Everytime I'm blue
I take my feeling
I hold it tighter
And I don't let go

When the sky gets whiter
And the air is colder
I throw my feeling
To the falling snow

Everytime my heart
My heart starts breaking
I take this pain
And I hold it down

And I wait for the wailing
When the wind is comin'
And my pain is blowin'
Through another town
