

Something In the Water

Kasey Chambers

It's dark and murky in the water hole
And somethin's chillin' me to my soul
I swear that I saw it but I don't know
I seen too much, I'm goin' home
There's somethin' in the water
(Somethin' in the water)
There's somethin' in the water
(Somethin' in the water)
Splish-splash, bing-bang
There's somethin' in the water
Papa rolled in about a half past 10
He couldn't find the door so he couldn't get in
Mama seems to know when somethin' ain't right
Daddy said, "I been drinkin' water all night"
There's somethin' in the water
(Somethin' in the water)
There's somethin' in the water
(Somethin' in the water)
Splish-splash, bing-bang
There's somethin' in the water
(Somethin' in the water)
Your sister's havin' a baby girl
My sister's havin' a baby boy
His sister's havin' one of each
Sisters of mercy, poppa don't preach
There's somethin' in the water
(Somethin' in the water)
There's somethin' in the water
(Somethin' in the water)
Splish-splash, bing-bang
There's somethin' in the water
Me and little brother in the old bath tub
Splish-splash, rub-a-dub-dub
Little brother goes quiet
With a look in his eye
There's somethin' in the water
(Somethin' in the water)
There's somethin' in the water
(Somethin' in the water)
Splish-splash, bing-bang
Splish-splash, bing-bang
Splish-splash, bing-bang
Somethin' in the water
(Somethin' in the water)
There's somethin' in the water
(Somethin' in the water)
There's somethin' in the water
(Somethin' in the water)
There's somethin' in the water
(Somethin' in the)
