

# Sometimes

Kasey Chambers

Sometimes we're sad  
Just like the winter  
Sometimes we wonder  
What will become  
Sometimes we fall  
Just like the autumn  
But today we're gonna  
Shine like the sun  
It's alright to cry  
If you want to  
Some colors fade  
From bright to blue  
But a heart, it won't stay  
Blue for too long  
We can make it go away  
In this song  
Sometimes we're sad  
Just like the winter  
Sometimes we wonder  
What will become  
Sometimes we fall  
Just like the autumn  
But today we're gonna  
Shine like the sun  
Just stand up tall  
And take my hand  
Well, I'll help you fly  
An' I'll help you land  
'Cause a heart is like a dream  
That always comes true  
And today I'll be  
Dreamin' about you  
Sometimes we're sad  
Just like the winter  
Sometimes we wonder  
What will become  
Sometimes we fall  
Just like the autumn  
But today we're gonna  
Shine like the sun  
Yeah, today we're gonna  
Shine like the sun
